Hummingbird Program Scheduled for Green Spring Gardens

Experience the fluttering of hummingbirds first hand at Green Spring Gardens on Saturday, August 4, 2007. From 2 to 3:30 p.m. the gardens will lure families hoping to spot migrating hummingbirds and learning how to make their own gardens flutter-friendly.

As the hummingbirds make their annual migration through the mid-Atlantic region, Green Spring Gardens Park offers families a chance to enjoy the beautiful outdoors and learn something new about these lovely jewels of nature. The trees, shrubs and flowers found in the gardens of Green Spring act as natural feeding grounds for these feathered friends.

Equipped with binoculars, families can explore the park grounds, learn how to make a hummingbird feeder and take home a hummingbird plant of their own. Suitable for children six and older, families pay only \$10 to partake in the hunt for hummingbirds!

Green Spring Gardens is located at 4603 Green Spring Road in Alexandria. For more information, please call 703-642-5173 or visit <http://www.fairfaxcounty.gov/parks/gsgp>.
